EMPLOYEE INFORMATION

The following benefits apply to dependent coverage:

- Dependent children are covered for maternity benefits.
- Automatic coverage for newborns for the first 31 days following birth. Infants not enrolled for coverage within the first 31 days after birth will not be eligible for coverage until the following open enrollment period or special enrollment event.

Payments: Network providers agree to accept amounts negotiated with BCBSTX and are paid according to this BCBSTX-determined Allowable Amount. Covered individuals are responsible for any required Deductibles, Coinsurance Amounts, and Copayments. Plan benefits paid to Out-of-Network providers are based on the BCBSTX-determined Allowable Amount. These providers may balance bill covered individuals for charges in excess of the BCBSTX Allowable Amount. The covered individual will be responsible for charges in excess of the Allowable Amount in addition to any applicable Deductibles, Coinsurance Amounts, and Copayments. For cost savings information, refer to the section on ParPlan Providers and the definition of Allowable Amount in the benefit booklet.

Preexisting conditions are defined in the benefit booklet and are excluded for 12 months. Appropriate credit will be given for time served under Creditable Coverage as defined under the law and shown in your benefit booklet.

Replacement of Medical Coverage: In compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and Texas State law, the following provisions apply to each eligible participant who has health coverage under the employer's plan immediately prior to the effective date of the health contract between the employer and BCBSTX (the contract date):

- Benefits for eligible expenses incurred for any service or supplies prior to the contract date, are not covered under the contract.
- Eligible expenses for services or supplies incurred on or after the effective date will be considered for benefits subject to all applicable contract provisions.

Members residing in other states may use that state's network through the BlueCard program. To locate a participating provider in your state, please contact 1-800-810-BLUE or visit our web site at www.bcbstx.com to use our Provider Finder® tool. In addition to the benefits stated herein, benefits for covered persons who reside outside of Texas will conform to all extraterritorial requirements of those states.

Coverage is contingent upon the following:

- The employer must maintain enrollment of at least 75% of eligible employees and pay at least 50% of the employee only cost.
- The replacement of coverage stipulation in the contract.
