

Lebco Industries Monthly

2019 Open Enrollment

We recognize our employees are our number one asset. You are the driving force behind our success!

Effective January 1, 2019

- Health Insurance benefits will continue with BCBS
- Offering 2 PPO plans & an HSA plan
- Dental Insurance benefits will continue with BCBS
- Vision plan will continue with VSP with the same rates

Open enrollment for group medical, dental and vision insurance provides you the opportunity to enroll for coverage or make changes to your coverage. Keep in mind, the decision you make at open enrollment regarding your insurance coverage is effective for the entire plan year (January 1, 2019 – December 31, 2019). During the plan year you may not change your plan and/or dependent status unless you have a “qualifying event” as defined by the IRS, such as marriage, divorce, birth, adoption, or loss of coverage.

The cutoff date for completing the enrollment is **12/17/18**. If you have any questions, contact your Human Resources contact:

- Karen Cheniae
- Alina Ciobanu
- Jami Weinman (broker's office)
214-443-1400 x203
jami@insuranceisboring.com

This year your enrollment will be done online at Bernie Portal.

To make elections online:

Go to: www.bernieportal.com

User Name: your Lebco email or your personal email if you don't have a Lebco email

Password: the last 4 of your SSN plus 2-digit birth month

MEDICAL PLANS

The company will continue offering three medical plans using the **Blue Cross Blue Shield – Blue Choice PPO Network** in your area, two co-pay plans and a Qualified High Deductible Health Plan that permits pre-tax employee contributions to a Health Savings Account (HSA).

HSA Plan

An HSA plan combines a medical plan with a Health Savings Account (HSA). With the BCBS HSA plan, all eligible expenses apply to the deductible and co-insurance first, with the exception of preventive care which is covered at 100% on all plans. Prescriptions are applied to the plan deductible first. Once you meet the in-network OOP maximum, all eligible expenses are paid at 100%. The advantage of the HSA plan is that the out-of-pocket limits are lower than the other plans. Also, you have the option to contribute to an HSA and pay eligible expenses with pre-tax dollars.

Lebco will continue using **Optum Bank** as their HSA depository custodian. You may make contributions to your HSA from your payroll not to exceed the annual IRS limits. To contribute to your HSA through payroll, eligible employees must open an account with **Optum Bank**. You will be receiving instructions on how to open your **Optum Bank** HSA online. You may keep your current Benchmark Bank account or roll the funds to your **Optum Bank** account.

The HSA funds may be used to pay for eligible medical, dental and vision expenses such as, but not limited to, doctor visits and prescriptions for employees and their eligible dependents.

You are encouraged to take full advantage of the tax savings by contributing towards the HSA account. The IRS limits the amount that can be contributed to an HSA account. The employee HSA contributions are on a pre-tax basis. If you or your spouse is 55 years of age or older, you may elect to contribute an additional \$1,000 catch-up contribution for yourself and/or your spouse for 2018 and 2019 in addition to the annual limits.

Combined annual IRS limits:	<u>Individual Limits</u>	<u>Family Limits</u>
	\$3,450 (2018)	\$6,900 (2018)
	\$3,500 (2019)	\$7,000 (2019)

What are the benefits of an HSA?

- **Pre-tax dollars** may be used to pay for qualified expenses anytime in your lifetime for yourself and your eligible dependents.
- Your HSA funds rollover at the end of the year
- **You may easily access your HSA funds by debit card or check.**
- **Funds left in an HSA can grow, tax deferred, and may be invested similar to an IRA**
- Your account stays with you even if you change employers
- After age 65 you can withdraw your funds and they are only taxed as ordinary income
- Your HSA funds may be used tax free to pay for Medicare insurance premiums

What expenses are qualified medical expenses? Qualified expenses include most normal medical, dental and vision expenses such as:

- Doctor visits
- Prescription drugs
- Dental services
- Vision care (including contact lenses, glasses and Lasik surgery)
- View a complete list of eligible expenses on the www.insuranceisboring.com website
