

Why is having quality auto and home insurance so important?

Because you need to protect your possessions, but you don't need to pay too much or settle for coverage that's less than the best.

Auto and home insurance should meet your specific needs. That's why insurance from MetLife Auto & Home® is designed so that you're not surprised by coverage gaps or unexpected costs. We offer simplicity in our insurance packages and professional advice.

MetLife Auto & Home provides insurance coverage that eliminates gaps and surprises. Our Auto AdvantageSM features go beyond basic liability and collision coverage to offer you more complete coverage and benefits, including:

- Convenient payment options
- Replacement costs for Total Loss¹
- Replacement costs for Special Parts²
- 24/7/365 claim service
- Enhanced rental car damage coverage²
- Deductible Savings Benefit³
- Identity Theft Protection Services
- Towing/roadside assistance
- Windshield repair without a deductible

For 40 years, MetLife Auto & Home has been protecting drivers with outstanding coverage.

Home*

Our homeowners products offer uncommon protection called Coverage A Plus, which is an optional benefit with any Standard or Platinum Homeowners Policy. This coverage is designed so that in the event of a loss, your home would be fully replaced without you incurring extra costs. Additional benefits include:

- Maximum coverage equal to the replacement cost at the time the repair is made.
- Materials of "like kind and quality" for rebuilding your house.
- An insurance benefit amount that meets the current construction costs to rebuild it — even if costs exceed your dwelling limit, which is currently a unique benefit in the Homeowners Insurance industry.

We also offer replacement cost on home contents, so there are no surprises with unexpected out-of-pocket expenses. In the event of a covered loss, it replaces personal property without deduction for depreciation.

Switching auto and home insurance carriers has never been easier. Call us and we'll take care of the rest, regardless of when your current policy expires. Don't wait — others have saved up to \$536.⁴ See how much you could save by switching your auto insurance to MetLife Auto & Home.
