The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact Assured Benefits Administrators at 1-866-231-5589. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.abadmin.com or call 1-866-231-5589 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$3,000/individual- OR- $6,000/family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. In-Network preventive care, in-network services with a copay.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	$5,000/individual- OR- $10,000/family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Copayments for certain services, Premiums, and health care this plan doesn't cover, and non-compliance penalties	These expenses do not count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	The plan does not access any network. Benefits are paid based on the Plan's Maximum Allowable Charge. Refer to the full definition of Maximum Allowable Charge, located in the Definitions sections of your plan document and summary plan description.	Please nominate your provider so ClaimDOC can connect with them prior to your first appointment. You can submit nominations online at portal.claim-doc.com/guest with the PIN: LC75001, or by calling a Member Advocate at 888-330-7295.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies, unless otherwise stated.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
