Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$4,500/individual -OR- \$9,000/family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. In-Network preventive care , in-network services with a copay .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan ?	\$6,000/individual -OR- \$12,000/family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Copayments for certain services, Premiums , and health care this plan doesn't cover, and non-compliance penalties	These expenses do not count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. Please visit www.abadmin.com or call 866-231-5589 for a list of participating providers.	Please nominate your provider so Claim-DOC can connect with them prior to your first appointment. You can submit nominations online at portal.claim-doc.com/guest with the PIN: LC7500, or by calling a member advocate at 888-330-7295.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies, unless otherwise stated.
